Electric Wheelchair - Traveller VX18

Folded

Heavy-duty model, this is a premium top of the line model giving both long distance travel matched with superior comfort. The foldable option allows easy storage in vehicle or flight. The foldability and small size eliminates the need for a specialized carrying hitch versus a traditional scooter.

Electric Wheelchair - i-Go Yellow

Folded

Great indoors, navigating tight, enclosed spaces with ease, and is also perfect for users on the go, as the chair can be disassembled, without tools, into components that can be loaded into a car, truck or van for transport without the need for a cumbersome vehicle rack.

Push Wheelie Walker / Wheel Chair

Folded

- Foot tabs to lift the front
- Parking and rolling brake function
- Removable shopping bag
- Dismantles small enough for a suitcase
- Flip over forward and back facing backstrap
- Clip back Footrests when not in use
- Removable Footrests
- Walking stick holder included
